

Dear Supporter,

Each year, the Armstrong Center for Community Learning connects thousands of individuals and families to nature through hands-on education, recreation, and community programming at its Outdoor Discovery Center at Crooked Creek. In 2026, we are especially proud to celebrate the 25th anniversary of the Outdoor Discovery Center – marking twenty-five years of outdoor education, recreation, and community impact.

In 2025 alone, the Outdoor Discovery Center served over 4,300 participants through more than 100 programs, operating at near full capacity and expanding to meet growing demand.

On Saturday, September 12, 2026, we invite you to partner with us as a sponsor of Summer's Last Fling – our annual benefit for the Outdoor Discovery Center.

This annual fundraiser supports our mission of connecting people to resources that enhance lifelong learning while providing meaningful outdoor experiences through education, recreation, and outreach.

Summer's Last Fling is a family-friendly community celebration featuring:

- Live music by Billy Postle (acoustic) and the band Yachtness Monster ('70-'80's soft rock)
- Food, drinks, basket raffles, and silent auctions
- A welcoming, community-centered atmosphere

Why Your Support Matters

Demand for Outdoor Discovery Center programming continues to grow:

- Over 4,000 participants annually
- Programs operating on nearly every available day
- Camps, homeschool programs, and field trips consistently fill to capacity

Your sponsorship helps expand access to these programs and ensures more individuals and families can benefit from outdoor education.

Summer's Last Fling provides:

- Meaningful community visibility
- Exposure to a broad and engaged local audience
- Recognition across event materials, website, email, and social media

Proceeds from event registrations, sponsorships, and our raffle and silent auction directly support educational programming at the Outdoor Discovery Center, helping us expand access and serve more individuals and families in our community.

Sponsorship opportunities and benefits are outlined on the following page.

Connecting people to resources that enhance lifelong learning.

Armstrong Center for Community Learning
104 Armstrong Street, Suite A
